Dedication

This year's Yearbook Staff has decided to dedicate the Yearbook to some men who really deserve it.

The 72-73 Yearbook is being dedicated to all P.O.W.'s. With the Vietnam War officially over, some of the men who are being released are still suffering. Some of them have been prisoners for over eight years. Some have been physically or mentally handicapped for life.

So, in conclusion, the P.O.W.'s deserve this recognition.

To the P.O.W.'s, past and present ...

Bayside's Fall and Winter 72-73 Student Council

Fatima Hassan, John Paul, Mary Lou DelRosario, Frank Costa

The Fall and Winter Student Council for 1972-73 have accomplished a lot for Bayside. They helped get the new Audio-Visual equipment for the school. They have done their best in all affairs of student government. Miss Chorini was advisor to the group.

The Great Pumpkin

A black and white collage of various animal images, including a large owl, a squirrel, a rabbit, a dog, a cat, a mouse, a turtle, a bird, and a horse, arranged in a chaotic, overlapping manner. The collage features a large owl at the top left, a squirrel at the top right, a rabbit in the center, a dog at the bottom left, a cat at the bottom right, a mouse at the bottom center, a turtle at the bottom left, a bird at the bottom right, and a horse at the bottom center. The images are cut out and pasted together, creating a busy, layered composition.
